Re: Grant No. 3028

Dear Dr. Hermsmeyer:

The Scientific Director and CTR's staff have discussed your request for partial support of the 3rd International Symposium on Calcium and Gene Hypertension to be held in Portland, Oregon, July 10-14, 1991.

The program contains many topics of interest to The Council, and the list of speakers ensures that the quality of the meeting will be high. I therefore am pleased to tell you that we will make a contribution of $500.00 to help defray the costs of the conference. A check for that amount is enclosed with this letter. It would assist in our record-keeping if we could have a short written acknowledgement of the contribution.

We request only that these funds not be used to reimburse expenses incurred by participants from the industrial sector.

Sincerely,

Harmon McAllister
